Be careful what you wish for, his mother always told him... After spending two years touring the globe, he's growing tired, and that endless line of women has become a sea of blurry and meaningless faces. When he returns home and receives a visit from Naomi, his previous object of affection, he finally starts to look at himself and what he's become. He doesn't like it. Something has to change... On the surface, Lisa is a pretty simple girl. She goes to work, spends time with her friends, and adores her dog, Perry. She loves the quiet life and isn't interested in the bright lights of Marcus's world. So when he takes an interest in her, she makes it very clear that she doesn't want what he's offering. You see, Lisa has secrets, and being seen with Marcus will be the key to her undoing. Being a man used to getting what he wants, Marcus won't be taking no for an answer. For the first time, he has met someone who he feels a definite connection with, and he won't be taking no for an answer - even if it means inadvertently ruining everything Lisa has worked so hard to conceal... Will Marcus and Lisa find a way to deal with her secrets and be together? Or will she push him away, ensuring Marcus is destined to always have his affections unreturned?
