Kimberly Hutchings

'A lucid, comprehensive analysis of normative approaches to

international relations, and an original contribution to critical theory' - *Andrew Linklater, University of Keele*

'Hutchings combines a valuable account of the current state of the art with

a lucid exposition of her own, highly distinctive, position. This will be

required reading for students in international political theory, and indeed anyone interested in normative issues in international relations' - *Chris Brown, London School of Economics and Political Science*

Providing an invaluable overview of the competing schools of thought in traditional and contemporary international theory, this book
