Spellcasting: Beyond the Basics Michael Furie

You've got the basics of spellcasting down?now take your magical practice to a higher level. Discover how to add potency to your protective and defensive magic, healing work, psychic development, and divination. Cast successful spells for love and money. Add lesser-known workings to your repertoire, such as sending out etheric tendrils, creating a nocturnal servitor, and ethically practicing weather magic. With convenient "at-a-glance" correspondences and recipes for potions, incense, and oils, *Spellcasting* offers practical tips and techniques that will forever improve your magical workings:

love magic • familiars • remote viewing • scrying mirrors • merging with the elements • divination • psychic development • weather magic • healing • defensive magic • astrological influences • protection • meditation • altered states • allies and helpers • money magic

Praise:

"A comprehensive yet readily digested review of magical theory and practice, together with some very useful recipes and rituals."?Raymond Buckland, author of *Buckland's Complete Book of Witchcraft*
