The Saints Are Coming: A Rebel Priest, a Daring Woman and Their Years of Living Dangerously

Gregory Jordan

The gripping, true story of a parish community set in one of the most violent places on earth: the Anapra barrio in Juarez, Mexico. Kevin Mullins, a rowdy Australian priest, and his housekeeper Rayna risk everything to build a parish while dealing with murderous drug cartels, oppressive poverty, powerful cults, roving street gangs, and crooked government officials. As homes burn, people disappear, and bodies are discovered, Father Kevin and Rayna battle to keep their parishioners alive while transforming the community into a force against evil. The page-turning, thought-provoking narrative is told with unflinching honesty by author and journalist Greg Jordan. Perfect for parish reading groups, this is an illuminating tale of spiritual resistance, and the church's mission in a dangerous and complex world. Supplemental reading guide included.
