Through Time and the Valley John R. Erickson

In an isolated piece of the West, the Canadian River stretched before John Erickson and Bill Ellzey as they began a journey through time and what the locals call the valley. They talked, worked, and swapped stories with the people of the valley, piecing together a picture of what life has been like there for a hundred years, including tales of such real-life characters as Kit Carson, Quanah Parker, Billy Dixon, and Ishatai. A wry and delightful humorist, Erickson tickles our funnybone while touching our feelings.
