The wonderful sights, sounds, and smells of the Anglican liturgy can engage the imagination of young children and draw them into enthusiastic worship. But it can be a bit confusing as well.

Through the interactive games and puzzles in this fun-filled activity book, children ages 4-7 can grow to a deeper understanding of Anglican worship life. From learning about the participants in the entry processional, to coloring the vestments of the priest and deacon, to identifying the amazing things their senses tell them about the Eucharist, this book is a treasure trove for kids and adults. Forty one-page activities are followed by a four-page parent guide designed to promote parenting in the pews and offer tips for parents and other educators using these activities with children.

Permission to copy the pages for non-profit use in church or school is included in the book.
