## **L'Assommoir (Oxford World's Classics)** Emile Zola

The seventh novel in the Rougon-Macquart cycle, *L'Assommoir* (1877) is the story of a woman's struggle for happiness in working-class Paris. At the center of the story stands Gervaise, who starts her own laundry and for a time makes a success of it. But her husband soon squanders her earnings in the Assommoir, a local drinking spot, and gradually the pair sink into poverty and squalor.. *L'Assommoir* was a contemporary bestseller, outraged conservative critics, and launched a passionate debate about the legitimate scope of modern literature. This new translation captures not only the brutality but the pathos of its characters' lives.

**About the Series:** For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
