Scriptures of Love: Basic Spiritual Foundation, Order and Direction Jerome Ataman

This book is intended to offer wisdom and logic about spirituality, and to show why it is important for a conscious being to be aware of the spiritual and embrace it. This is not intended to go in total depth on each one of the topics, solutions, points and factors. This book is intended to bring awareness to major elements of a spiritual foundation and order, and help provide direction. It was my intent to make this as short and easy to understand as possible for readers (but books that deal with such deep spiritual topics should be read with patience, in order to break down each statement and get the most out of it). Much like the bible and many other spiritual works, many of the statements are intended to spark or are in need of deep thought, discussion, research or other forms of further consideration (especially the ones that are most foreign to each specific reader).
