Half-Blooded: The Complete Collection (BBW Shifter Romance) (Half Blooded) Bethany Rousseau
Mia sits alone on the edge of a bridge, watching the dark, mysterious waters below. Bored with the banality of life, she wonders when the fire in her blood will be reignited. She won't wait long...

Mistakenly assuming she's a jumper, a ruggedly handsome motorcyclist lends a hand, and instantly an irrevocable bond between them is forged. Caleb is different - otherworldly, and almost supernaturally attractive - but the more that Mia discovers about her new lover, the more he seems to shy away, especially when he notices her increasingly unusual behaviour around him, and the mysterious birthmark on her body.

Little does Mia know that her hitherto ordinary life is about to change forever; she's about to find out that Caleb is no ordinary man, and that she herself is certainly no ordinary woman...

Can Mia handle the knowledge that werewolf blood flows through her veins? Can Caleb protect his lover from the plots and machinations of his own clan? Or will the pair be swept away by the supernatural waters that threaten to overwhelm them both?
