When Ariel wakes up with a hangover after a night on the town, she's surprised to find herself in the bed of a very large, very bad-tempered Russian. And when he gruffly informs her that she is now his wife and should act accordingly, she's even more surprised. The plot thickens when she happens to look out the window and see the spires of the Kremlin loom up in the distance...

Dimitri Loginovsky is accustomed to dealing with thieves, murderers and crooks. As an enforcer to Moscow's major crime family, he's seen it all. Until he meets Ariel Cole. The family has big plans for her, and it's crucial he 'tame' her and make her do his bidding. Easier said than done. Especially when he finds himself falling for the willowy blonde American.
