The History of the Aryan Brotherhood Mr. Gabriel C. Morales

"The History of the Aryan Brotherhood" starts at San Quentin, follows at Folsom Prison, and other California institutions, into the Federal system, to other states, and out on the street. See why the AB is feared everywhere. The Author took passages from his earlier book, "Prison Gangs in America", expanded and updated it to bring you a rare inside view of the AB and its influence on the criminal justice system. It contains 137 historical pictures/documents, many of them never seen before in other works, and includes other Supreme White Power groups active in the U.S. The Author dealt directly with many individuals covered in the book and he was interviewed for the Biography Channel's segment on AB leader Barry Mills entitled "Baron of the Brotherhood". The book has a 12 pt. font so take the 1 star reviews with a grain of salt, but it is available in larger font for those who wish to see it bigger.
