No agency should be without a complete, up-to-date set of homecare rules, as published in *The Home Health Conditions of Participation and Interpretive Guidelines*. **You ll find it indispensable for staff training, orientation, and care delivery guidance.**

Stop spending precious time searching the CMS website, trying to find the home health regulations you need. This manual brings together all of Medicare s home health *Conditions of Participation* and Interpretive Guidelines in one place.

Beacon Health s version of *The Home Health Conditions of Participation and Interpretive Guidelines* is **more valuable than the government s original version because:**

Reviews the upcoming sanctions coming to home health agencies

Ensures all home health rules are in one place

Maintains the original column format to display G-tags, regulations, and Interpretive Guidelines

Includes a comprehensive index and frequently consulted sections presented in boldface type for easy use

New in the 2014 edition:

Thorough review and insight from a former CMS surveyor on how the new alternative sanctions are directly tied to the *Conditions of Participation* and Interpretive Guidelines. A detailed description of the possible fines your agency may receive due to these sanctions.
