*Robert Louis Stevenson*

## **Weir Of Hermiston: Extended Annotated Edition** Robert Louis Stevenson

This is the extended annotated edition including a detailed biographical primer on the life and works of the author.

Mr. Henry James, speaking of the quarrel between Alan Breck and David Balfour in *Kidnapped*, declares that he knows of " few better examples of the way genius has ever a surprise in its pocket — keeps an ace, as it were, up its sleeve." And in *Weir of Hermiston* we have a surprise of an even higher order from Stevenson's pocket; that pocket which during his lifetime seemed like the proverbial small boy's—almost inexhaustible, stuffed full of a delightfully heterogeneous mass, sometimes of jingling trinkets, and sometimes of the oddest and rarest treasures. It may seem rash to declare a half-finished and half-revised book the greatest achievement of an author who had so high a passion for finality as Stevenson, but many will unhesitatingly declare *Weir of Hermiston* Stevenson's best book.
