Ash the Destroyer, the only soul shifter in existence, walked away from the Convocation and never looked back. As their assassin, she'd eaten souls of the most evil creatures in existence—but it's the innocent souls she's taken that haunt her. Jarod Dante, the world's last therianthrope, works for the new Convocation. When the Vedere psychics predict the end of mankind if Ash doesn't defeat the demon queen Lilith, Jarod must convince the fearsome beauty to forget the past and save the future. Ash and Jarod are unprepared for their instant combustible attraction, but their unexpected connection may be the only way to defeat Lilith and save everyone they love.
