Something Borrowed, Something Bruised: Don't Just Sit There, Gangbang the Bride!: A Rough Orgy Erotica Story with Lesbian Sex and Double Penetration Stacy Reinhardt

The blushing bride is willing to do her duty to her family by agreeing to an arranged marriage, but that doesn't mean she can't have one last fun night with her girlfriends. The fun night goes crazy though, and instead of getting drunk and maybe having a nice one night stand, she had three girls get her excited just in time for three men to come in and take every one of her holes! She'll be double teamed, have her first anal sex, and get a very, very rough double penetration.

Warning: This ebook contains very explicit descriptions of sexual activity during a very rough bride gangbang sex encounter. It includes lesbian sex, rough depththroat, rough sex, first anal sex, lesbian group sex, wedding sex, reluctant semen swallowing, and double penetration. It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults.

Here is a preview:

I didn't know what to do with my hands. They were just at my sides but I eventually lifted one up and put it around whichever girl was on my breasts and reached the other down to pull the head of the girl between my legs tighter against me. They did this for quite a while, kissing and licking me and never changing positions—one girl on my breasts, one girl at my mouth and one girl with her tongue pushed up into me. Then suddenly, with no warning, they backed away and I sat there, naked and gasping and filled with desire. I watched as the girls walked over to the couch and the three of them sat down on it. Marilyn and Amy began kissing and I watched it progress until finally all three of the girls were a tangled mess of bodies on the couch, licking and touching each other. I didn't know what I was supposed to do. I sat there horny as fuck, drunk as hell, naked, and still feeling those tongues on me.

That's when the door to the adjoining room opened and their three wedding dates walked in completely naked, their hard cocks pointed right in my direction. My eyes grew wide. They moved quickly. I had intended to say, "Wait a minute, what the hell is going on?" but my reactions had been so slowed down by everything that was going on with the alcohol and the shock, all I got out before a cock was pushed past my lips and into my mouth was, "Hey what—" When that cock went in, I felt hands immediately on the back of my head, pulling me close and tight; the head of the dick traveling over my tongue and poking against my throat.
