David Gaiter:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know
