The Fugitive Kind Poster and Suddenly Last Summer Lobby Card Tennessee Williams

An original folded half-sheet poster for the film adaptation of Tennessee Williams's play "Orpheus Descending." The film had a powerful cast that included Marlon Brando, Anna Magnani & Joanne Woodward but the film failed to connect with both audiences and critics alike. Printed in full color with nice large portraits of the cast. The film was directed by Sidney Lumet and from all accounts was a very difficult and troubled production. Fine. Also included is an 11" x 14" title card for "Suddenly Last Summer" which was filmed the year before with another powerful cast that included Elizabeth Taylor, Montgomery Clift and Katharine Hepburn. The film was directed by Joseph L. Mankiewicz with a screenplay co written by Williams and Gore Vidal. This too was a troubled production and was also a box office and critical failure but did received Oscar nominations for the two lead actresses and for its exotic art direction. Probably the film is best remembered for the Liz Taylor's white bathing suit than for anything else. Some tack holes and minor staining to the borders. Vg. Sold as a collection only.
