**The Number 666: A Short History of Its Origin and Meaning (With Active Table of Contents)** Philip Schaff

## ABOUT THE AUTHOR:

Philip Schaff was a Swiss-born, German-educated Protestant theologian and a historian of the Christian church, who, after his education, lived and taught in the United States. Schaff's broad views strongly influenced the German Reformed Church, through his teaching at Mercersburg, through his championship of English in German Reformed churches and schools in America, through his hymnal (1859), through his labours as chairman of the committee which prepared a new liturgy, and by his edition (1863) of the Heidelberg Catechism. His History of the Apostolic Church (in German, 1851; in English, 1853) and his History of the Christian Church (7 vols., 1858–1890), opened a new period in American study of ecclesiastical history.
