*Arab Americans in Toledo* is a collection of essays, interviews, profiles, and pictures that explores one of Toledo's most diverse ethnic groups. Its members—both Christian and Muslim, and from many nationalities—have come together to form a vibrant and important local community. The book's chapters are equally diverse, covering language, food, religion, history, and culture, as well as stories of those whose lives have enriched Northwest Ohio since the first Arab immigrants arrived in the early 1880s.
