A great and easy read! MFL is whimsical, factual, funny, erudite and well written. The "how to" book for Americans who want total control of their money. The American Dream's been hijacked. Corporate and governmental Behemoths foist failed financial paradigms on Americans. That makes Behemoths wealthy, but lures you into a dungeon of debt without practical means of avoidance or escape. Based on proven principles and practices that have guided Americans to peace of mind about money for over two centuries, MFL reveals how to ~escape the dungeon, ~build a solid personal economy that lasts and ~be your own bank.
