This is a full color version of the Once Upon a Time Stories. The tales remain true to the original stories, but they have been softened up just a bit. Wolves do not eat pigs in these stories, nor do pigs eat wolves. These books are illustrated with the artwork found in the early Fairy Tale books. The author has enriched the color and touched the paintings up where it was needed, but the paintings are other artists works and have been included in an attempt to recapture the magic and beauty of our favorite Once Upon a Time Stories.
