Memorable writings and statements, with an introductory note by Edward M. Kennedy. A family man, a skillful advisor, with a keen cutting edge of reason and wit, dedicated to youthful ideals and mature wisdom, Robert Kennedy had only begun his quest for the highest office of the land when he was cut down, as his brother had been cut down five years before. What he might have achieved we can never know. What he did achieve, and what he envisioned for America, is recorded here in his own eloquent words.
