Have you ever wanted freedom? Freedom from a boss and obligations you didn't care much about; Freedom to spend as much time with your partner and children as you so desire; just freedom? Setting up a business is one route to that freedom. However, it needs to be set up in the right way. A poorly set up business will quickly become the bane of your life.

These are exciting times to be living in: as a solopreneur you can easily pull in a six or seven figure income and still have plenty of free time. This book provides practical advice for setting up an automated business in today's environment. It is highly relevant for both digital and physical products.

### ABOUT THE AUTHOR

Former investment banker Heather Katsonga-Woodward is an author and entrepreneur. She graduated from the University of Cambridge in 2005.

She set up her first business when she was 18 during a gap year between high school and university.

With lessons learnt from her former businesses she grew her current main business, Neno Natural, from zero to an email list of 3,000 and 20,000 "real" Facebook fans in less than four months.

She lives in London with her husband and their hive of happy bees.
