### Synopsis:

As a highly regarded engineer at a prominent architectural company, Darrin Davis has everything going for himself... future partnership at the firm, great family and friends, a luxury townhome in the hills and all the toys a successful, young good-looking guy could ask for... but lately he can't help but feel that something's missing.

One day, Darrin saves the life of an enchanting cat. Intrigued because he didn't suffer his normal severe allergic reactions, he invites his new friend into his home and names him Shiloh... After several memorable events, Darrin has reason to believe his house guest is no ordinary feline!

Grieving after the death of his best friend, one night while in bed, Darrin's world is literally turned upside down when in a dream he is captured by a ruthless, power-hungry King and almost killed! With the help of an unsuspecting ally, he narrowly escapes, but is unknowingly followed by a powerful entity.

Confused and desperate for answers, Darrin turns to an exotic card reader who unveils Shiloh's true identity and the special gift that he left him. Her own life becomes endangered when Ahku, the evil sorcerer from Darrin's dream, shows himself and his deadly intent!

When an accident greatly threatens Darrin's life, Shiloh's gift finally reveals itself and convinces him that what the card reader said was true.

Darrin remarkably crosses paths with Alyssa his high school crush, and it seems as if fate has brought them together again; but before they can rekindle their desire for each other, he is strangely drawn away and has an eerie encounter that he will never forget!

When Darrin pays the ultimate price for love, he and Alyssa are miraculously rewarded... but the relentless sorcerer appears to make his final stand to claim what will give him unprecedented power. An epic battle between worlds erupts, and a vanquished soul determines Ahku's final fate!
