The idea of journaling our Christian walk is not some attempt to replace the way we seek God. It is not to replace the truth of God's holy Word. Journaling will never, and can never, do that. This is simply an idea to help you further develop the things that matter in your Christian walk.

By keeping a record of our prayer life, study life and spiritual experiences, we can keep track of our spiritual growth and make any added adjustments needed to maintain a healthy spiritual growing pattern. This is not a new idea, but an idea compacted into an easy to read format for all to understand.
