#### **Kathleen Blackwood:**

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Lab Manual t/a Introductory Plant Biology can make you really feel more interested to read.
