International Family Law provides an authoritative, insider's perspective on the latest developments and trends affecting family law in foreign countries. Written by leading family law attorneys, this book guides the reader through important issues such as custody and support. From citizenship and immigration laws across the globe to the Hague Convention on the Civil Aspects of International Child Abduction, these experienced attorneys examine legislation affecting marriage and divorce in an international setting. These experts also discuss asset division, pre- and postnuptial agreements, and the various cultural differences and barriers that can affect family law outside of the United States. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this ever-changing field.

Inside the Minds provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities.
