#### To Tame A Dragon (The Reluctant Bride Collection Book 2) Megan Bryce

Come back to a time when manners are everything and rules are made to never be broken. Come back to a time when men are in charge and women do what they are told. . .

Yeah, that never happened.

Welcome to Megan Bryce's Regencyland, where ladies with backbone get what they want. Where a woman can thumb her nose at rules and care little for convention, and yet somehow, unexpectedly and most reluctantly, find love.

To Tame A Dragon

Lady Amelia Delaney is known for her sharp tongue, no-nonsense attitude, and sizable fortune. Numerous suitors have tried to win her hand for the money, for the challenge, and for a rather unfortunate bet. She knows the unflattering reasons behind her numerous proposals– can she ever accept that a man would want to marry her just for herself?

Jameson Pendrake is a devil-may-care dandy who cares for naught but fun and fashion. But behind his laughing green eyes lies a dark history, and he calls off his wedding because of his fear of repeating the past. He can not simply give up on the idea of marriage– a wife is the best defense against the yearly crop of scheming mothers and their frilly daughters. But to allay his fears he needs a woman strong enough to laugh in the face of his past. A woman unflappable, unwavering, and unbroken. He knows just the woman. The trick, it seems, is in getting her to accept.
